Date of submission:

## NOMINEE PERSONAL INFORMATION

FULL NAME OF NOMINEE: \_\_\_\_\_

Professional Employment & Status of Nominee: (Indicate current position held, or retired or other status)

RATIONALE: a 200 word summary of nominee's achievements with "outstanding humanitarian or civic activities," performed "extra-career," not as a required function or duty of an engineering career position held or being financially compensated for the work. (May be a single most important humanitarian or civic contribution). A CV may be attached to this form.

**NOMINATOR/S Information:** Name of original nominator, along with an email address

Name: \_\_\_\_\_

Email Address: \_\_\_\_\_

*Nominations shall be carried forward and reconsidered by the Board for a period of three (3) consecutive years from the first submission of a Full Application. Applications may be resubmitted for further consideration of the nominee for another three (3) year period thereafter based on submittal of a newly re-executed application form. The Hoover Board has issued this definition of an engineer, to be used as a guideline only: An engineer could be someone who is a licensed professional engineer or a full member of a Founder Society or who has a degree in engineering or who functions as an engineer at work.*
